## Cascade Mountain Wisconsin

**\$125 - two nights w/lift ticket and food/drink (4x occupancy)**

### 26th annual event of the Kirby Ski Club

Its time to get ready for our annual trips. We have moved hotels again and there is a slight price increase. We are now at the Wintergreen Resort Lake Delton. They will give us 10% off their restaurant. I will be providing a continental breakfast in our party room. The hotel has an activity pool just like the Holiday Inn. It's across rt12 from the Ramada. Lifts for kids under 13 are still FREE. Please consider going to the Kalahari Water Park on Sunday as we are getting a great deal. It's well worth the \$28. Also we have lunch coupons at Cascade. Use the web calculator to figure out prices.

**We really need to grow the trip. It's needed to help keep the hotel freedoms and some of our discounts. Tell your friends.**

**Dates:** Jan 29- 31st (trip 1) Weekend Before Super bowl  
Feb 26- 28<sup>th</sup> (trip 2) Pulaski holiday weekend

**Where:** Wintergreen Resort - Wisconsin Dells (Lake Delton)

**Includes:** 2 nights lodging, 1 day lift (optional) at Cascade on Saturday, **Lunch at Cascade**, continental breakfasts, Pizza party at hotel, beverages, pool and hot tub with extended hours and more...*You need not spend any more money!*

**Cost:** Approx (with discount) \$125 per adult (4x room), \$138 (3x rooms), \$163 pp (couples), \$240 single  
-16 and under pay \$2.50 for each year of age (Lifts are FREE for under 13)

**Incentive:** Special for early birds. Pay entire room bill in full by 9-Jan-2010 (30-Jan for 2nd trip)  
and **save \$10 per adult**

Our lift tickets are good for the full day, so you can ski 9am-10pm. Cascade kids (still \$49). It's now a 3 hour program with an instructor to teach kids to ski. 10-1pm or 2-5pm. Child lifts are free, but you still have to pay for rentals. The ages are now 4-12 years. Ski rentals are called Flex again. It means you can switch between skis or boards during the day. Nice!

We will be renting the entire hotel again this year. We still have the early sign-up discount. The second trip is scheduled with the Pulaski holiday. Also many guests are staying at the Kalahari Resort on Sunday. There is a special rate again; email me for details.

The basic room is either a double queen or king with Jacuzzi. In the back of the hotel they have bigger rooms with sleeper couches for those with more the 4 adults. The hotel does not have rollways. The hospitality room is large and is near the pool. Since they have no complementary breakfast, I will be putting together a continental breakfast for our group. The hotel will offer us 10% off in their on-site restaurant.
