Also Buffalo Phils is walking distance away. **We really need our trip to grow to keep the hotel freedoms and discounts. Tell your friends.**

Our lift tickets are good for the full day, so you can ski 9am-10pm. If you have young ones, consider calling Cascade Kids for their child extended lessons. Child lifts are free, but you still have to pay for rentals. The ages are now 4-12 years. Ski rentals are called "Flex" again. It means you can switch between skis or boards during the day. Nice!

The second trip is scheduled for the Pulaski holiday. Also many guests are staying at the Kalahari Resort on Sunday. There may be a special rate again; email me for details.

The basic room is either a double queen or king with Jacuzzi. In the back of the hotel they have bigger rooms with sleeper couches for those with more than 4 adults. The hotel does not have rollaway beds. The hospitality room is large and is near the pool. Since they have no complimentary breakfast, I will be putting together a continental breakfast for our group. Also the hotel offers us 10% off, at their onsite restaurant.
